TO THE CLASS OF 2010:

Congratulations and welcome to the beginning of the rest of your life. We hope you have had a challenging, enriching and exciting four years at Manchester Essex Regional High School, and that you feel well prepared for the new adventures on which you are about to embark. You have the distinction of being the first class to graduate from the new MERHS and I hope you have come to appreciate the commitment of both towns, your families, and our staff to insure that you have received the best education possible.

The possibilities that now await you are endless. You will determine how to best utilize the skills and abilities you have acquired to develop a life that provides meaning and value to you. As you set your course, please remember the care, the encouragement, the support, and the lessons that your parents, your friends, and your teachers have provided throughout your development. Remember the pride that all of these groups share in your successes, and remember where you have come from, regardless of where you decide to go.

We wish for each of you a life of fulfillment and happiness. We hope you spend your talents liberally and to the benefit of the world we all inhabit. Please know that Manchester Essex Regional High School is thrilled to have you represent our school on the grander stage of life, as we know the character of the Class of 2010.

Go Hornets.

Seniors 2010

Thank you, Mrs. Hunt

Dear Mrs. Hunt,

Thank you so much for taking us under your wings when no one else would. You have been a wonderful class advisor and we wouldn't have made it this far without you.

You have helped us so much by not only increasing our funding but, more importantly, increasing our class morale. We are so lucky to have been advised by such an amazing woman who put so much time and energy into our class. We will all miss you next year, but we will be sure to remember everything you have given us over the years.

You are an inspiration to all of us to always give our best efforts while still having fun. We couldn't have asked for a better advisor, and we can't wait to come back and visit you next year. Thank you, Mrs. Hunt!

Love, the Class of 2010
